Date 20 March 2026

Dear Occupier / Resident
Devonshire Row

Re: Pedestrian Zones – Changes to Operational Hours

You may recall that the City of London Corporation previously undertook surveys and consultations on proposed changes to the operational hours of the pedestrian zones at various sites, including Devonshire Row. The proposals looked to extend the current operational hours from 8.00am to 6.00pm, Monday to Friday, to the new times of 8.00am to 9.00pm, Monday to Friday.

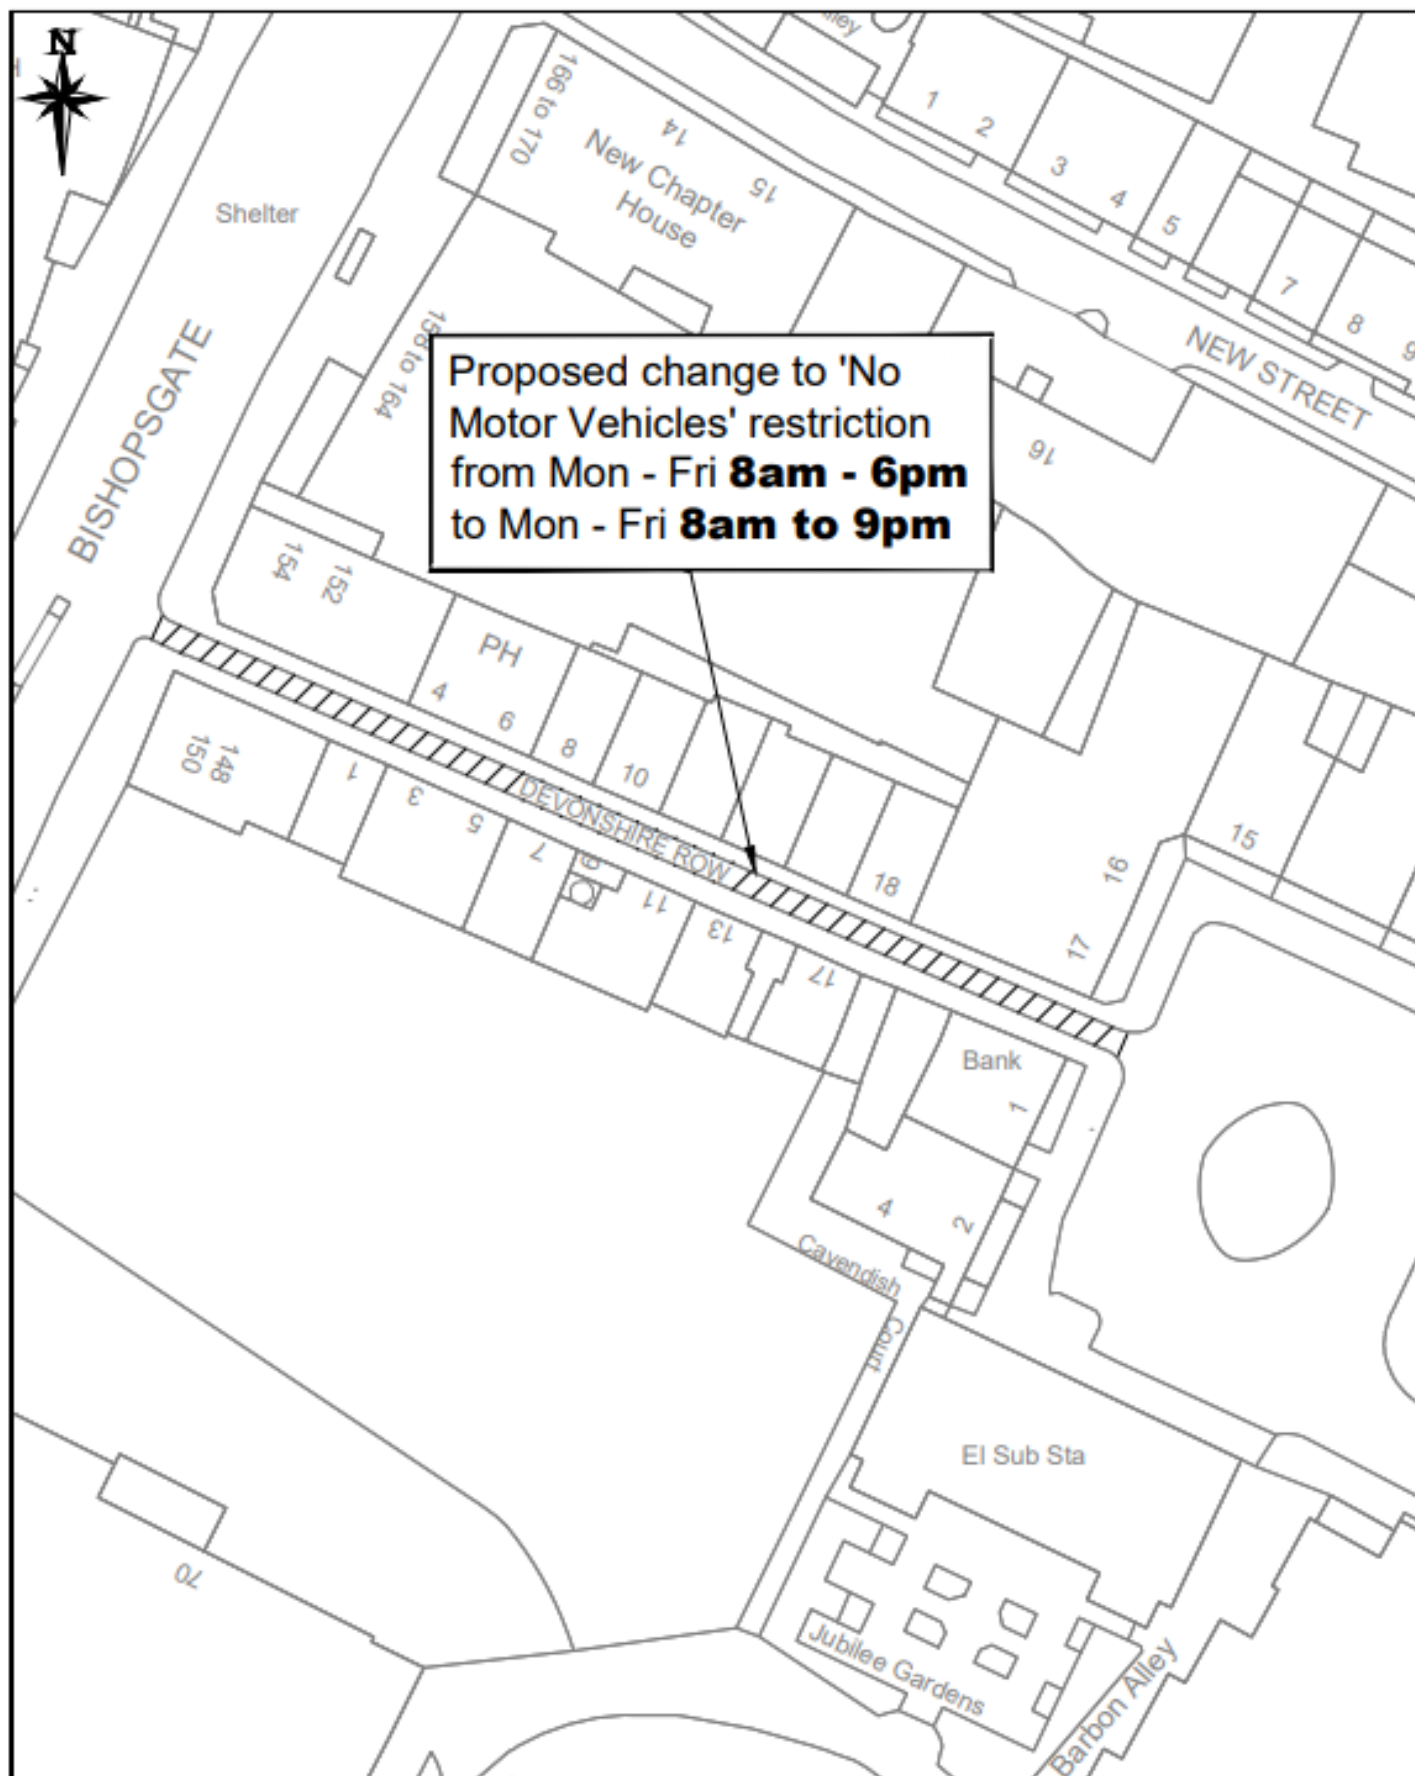

I can inform you that all statutory processes necessary to implement these changes have now been completed. The revised operational hours of 8.00am to 9.00pm Monday to Friday are scheduled to come into effect in early April 2026. Updated signage will be installed at Devonshire Row to clearly indicate the new hours to all road users and support good levels of compliance.

If you have any comments or concerns regarding these changes, please do not hesitate to contact me at streetsspaceplanning@cityoflondon.gov.uk

Yours faithfully,

Clive Whittle
