#### NOTES

- - PC Kara - discussion of slide content.
- - Mention of phone marking and will supply details on getting these arranged.
- - Cluster Priorities:
- Shoplifting and NTE should remain. Based on conversations with businesses, Anti-Social Cycling should also remain? PC Kara stated he has asked cycle officers to increase hotspot policing in certain areas to try to tackle this.
- Q&A - Cluster Priorities:
- 1. BM - Theft from person - should we look at this as a priority as it is a high crime type?
- PC Kara - we can put theft from person and shoplifting together as a priority rather than just shoplifting.
- 2. JE - Agrees with BM.
- ACTION - Change cluster priority from Shoplifting to Shoplifting and Theft from Persons.
- JE - Will a CBO be issued for the prolific shoplifter? PC Kara - Yes.
